LETTER

FROM

THE SECRETARY OF THE INTERIOR,

IN RESPONSE

*To Senate resolution of February 21, 1893, relative to claims of friendly Indians for depredations committed during the Pine Ridge disturbance.*

FEBRUARY 27, 1893.—Referred to the Committee on Indian Affairs and ordered to be printed.

DEPARTMENT OF THE INTERIOR,  
*Washington, February 27, 1893.*

SIR: I have the honor to acknowledge receipt of Senate resolution of the 21st instant, in the following words:

*Resolved*, That the Secretary of the Interior be directed to furnish to the Senate the following information:

(1) The number and value of claims presented by friendly Indians arising from depredations committed during the late Indian disturbance at Pine Ridge, S. Dak.

(2) A statement of the amount allowed on each claim, and whether paid to claimant in person or to an agent or attorney, and, if so, the name of such agent or attorney.

(3) A full statement as to the disbursement of the \$100,000 appropriated by Congress for the settlement of such claims.

In response thereto I transmit herewith copy of a communication from the Commissioner of Indian Affairs reporting upon the inquiries specified in the said resolution, together with the original official report of Special Agent James A. Cooper, who disbursed the sum appropriated by Congress for payment of the claims indicated.

Owing to the great pressure upon the clerical force of the Indian Bureau, it has been found impossible to supply copy of Special Agent Cooper's report within the limit of the present Congress, and therefore the original document is forwarded with request that, when printed, it may be returned to the Department files.

I have the honor to be, very respectfully,

GEO. CHANDLER,  
*Acting Secretary.*

The PRESIDENT OF THE SENATE.

DEPARTMENT OF THE INTERIOR,  
OFFICE OF INDIAN AFFAIRS,  
*Washington, February 25, 1893.*

SIR: I am in receipt, by your reference of the 23d instant for report, of the following resolution of the United States Senate, adopted February 21, 1893:

*Resolved*, That the Secretary of the Interior be directed to furnish to the Senate the following information:

(1) The number and value of claims presented by friendly Indians arising from depredations committed during the late Indian disturbance at Pine Ridge, S. Dak.

(2) A statement of the amount allowed on each claim and whether paid to claimant in person or to an agent or attorney, and, if so, the name of such agent or attorney.

(3) A full statement as to the disbursement of the \$100,000 appropriated by Congress for the settlement of such claims.

In reply to the first inquiry I have to say that appropriation of \$100,000, for the settlement of claims growing out of depredations committed by hostile Indians, not only embraces losses by friendly Indians, but also by whites properly residing on the reservation at the time of the hostilities.

The investigation of the claims was committed by this office to Special Agent James A. Cooper, who, after a patient and thorough investigation, submitted a report to this office embracing the claims of 754 persons, the total amount claimed by them being \$201,455.64. The special agent found that ten of those presenting claims were either hostile at the time of the outbreak at Pine Ridge or that the property for which they claimed payment had been subsequently recovered by them, and the number of claimants was, therefore, reduced by him to 744; he also found that only \$110,976.58 of the amount above mentioned as a total of the claims was substantiated by proper evidence.

The above amount of \$110,976.58, which was considered by the special agent to be due the various claimants, was further reduced by a deduction of 10 per cent, in order to bring the amount allowed within the appropriation made by Congress. Deducting 10 per cent, the amount to be paid was \$99,880.23. It having been decided by the Department that the expenses incident to the investigation of these claims and the payment of the amount appropriated should be paid from the appropriation, it became necessary to make a further reduction of  $1\frac{1}{2}$  per cent, which was accordingly done, leaving the amount as finally determined \$98,383.46. The report of the special agent, showing the above several amounts in detail, was approved by this office and forwarded to the Department, with the recommendation that it receive the approval of the Department, which approval was accordingly granted.

The report of the special agent, above referred to, was submitted to this office in duplicate, and it was the purpose of the office to retain one copy in the office, and forward the duplicate copy to the Treasury Department, for its information and examination in connection with the accounts of Special Agent Cooper, who subsequently paid the amounts due the several claimants, as shown in the said report. In view, however, of the near approach of the close of the present session of Congress, and the delay incident to the copying of this report, it has been considered advisable to forward the duplicate copy of said report, under the assumption that when it reaches Congress it will be printed, and that one of the printed copies can be compared with the original in this office, and sent to the Treasury Department in lieu of the duplicate copy referred to, which is transmitted herewith.

As hereinbefore stated, there were 744 approved claimants embraced on the roll as submitted by Special Agent Cooper, the net amount to be paid them being \$98,383.46.

After Special Agent Cooper returned to the field for the purpose of making payment to these claimants, he discovered that by an oversight the claim of Mrs. Jennie Whelan had been omitted from the list submitted by him and approved, and upon his calling the attention of the office to the matter authority was obtained from the Department for the allowance of her claim to the amount of \$62.05, which amount was paid her in the final disbursement of the funds in question.

The Senate resolution asked, in the second place, for a statement of the amount allowed on each claim, and whether paid to claimant in person or to an agent or attorney, and, if so, the name of such agent or attorney.

In reply to this question I have to say that the answer to the first question covers a portion of this, viz, a statement of the amount allowed on each claim.

In reply to the inquiry as to whether the money due on these claims was paid to claimants in person or to agents, attorneys, etc., I have to say that Special Agent Cooper, who prepared the roll, was directed to make the payment, and the receipts filed by him in this office show that in every case, with the exception of two, the money was paid to and receipt taken from the claimants themselves. In the two cases in question one was where the husband had died after the claim had been presented, and the money due was paid to his wife; and the other, where the claim was in favor of a woman who died before payment was made, and the money in that case was paid to her husband. There are two other cases on the roll where the claims were not in favor of individuals, but of churches which had sustained losses during the hostilities, and the money in those cases was paid to the representatives of the churches.

No payment whatever, as far as shown by the receipts in this office, was made to any agent or attorney for any claimant.

There are nine persons on the rolls whose allowed claims amount to \$736.61, who, for various reasons, were not paid by Special Agent Cooper, but their money was returned to the United States Treasury, where it remains to their credit, to be paid at some future time.

As to the third request of the resolution, for a full statement as to the disbursement of the \$100,000 appropriated by Congress for the settlement of such claims, I have to submit the following statement:

Amount paid claimants by Special Agent Cooper.....	\$97,708.90
Amount in the United States Treasury for Nos. 24, 153, 325, 473, 506, 572, 588, 594 and 621 (pay roll of Cooper) .....	736.61
Amount paid by Special Agent Cooper for clerical assistance, interpreters, traveling expenses, express charges on funds, telegrams, etc. ....	1,554.49
Total.....	100,000.00

The Senate resolution above referred to, together with a copy of this report, are herewith inclosed.

Very respectfully, your obedient servant,

R. V. BELT,  
Acting Commissioner.

The SECRETARY OF THE INTERIOR.
